

NBQSA 2008

Tertiary Student Project Category

1. You need to be present 30 minutes before your scheduled presentation time.
2. Format: 20 minute uninterrupted presentation + 5 minutes Q & A.
3. No additional documents by students will be entertained by the judges. The judges will be given a copy each of the project description sent with the application in advance.
4. If a student/team exceeds the 20 minute presentation time, they will not be given extra time to complete the presentation.
5. If the assigned team is absent at the time of their presentation, the judging panel will decide that the team is not present for evaluation. No further time slot will be provided in such situations.
6. Participants will be provided with Computers running Windows XP. However, if your project needs specific hardware, you are recommended to bring your own equipment. You will be given 15 Minutes to setup, prior to your scheduled presentation time. Your presentation will not be utilising a Multimedia projector. Instead, you will present using a standard computer monitor/LCD. (Note the Lab will host several simultaneous judging panels)
7. The Final Round will be held on 5th September 2008 at the same location. If you are selected for the final round, you will be informed by the BCS Secretariat.
